WHAT THE WORK TAKES
Fill in what you know. A marked guess beats a blank.

How long does one of these take?

MAN-HOURS, NOT CLOCK TIME — two people for one hour is two man-hours.
Tick how sure you are: T = timed it D = done it often G = best guess

5 Anything we have not asked about

Work we do that is not on this sheet · anything that always takes longer than people expect.

Save the file when you are done and send it back.

Rename it with your name first, or every one that comes back is called the same thing.
