Instant Form vs Messenger

365 Aeration & Seeding · Meta ads · as of Sunday 1 November 2026, evening · internal

INSTANT FORM · COST PER JOB
$135.68
$1356.76 (both form ads) ÷ 10 jobs

MESSENGER · COST PER JOB
$184.80
$1478.37 ÷ 8 jobs

365 WEBSITE · COST PER JOB
$0
4 jobs from 9 forms (one person sent two), $2,850

Corrected 1 Nov: Marc S., Zane H., Daniel C. and Michele E. came from Messenger; Jen had added them by hand as phone calls. Their leads now say Messenger in the app, and they count to Messenger here. Messenger goes from 4 jobs to 8.

The numbers

	Instant Form (two ads)	Messenger

4 jobs	**$2,850**	**$2,014 in**

Spend and results: Meta Ads Manager, 1 Nov evening (lifetime), plus the first form ad's run (19 Oct screenshot). Jobs, quotes and payments: the live app, 1 Nov. Left out as before: Brian S. (in person) and Kara R. (referral). Website people mostly heard of us on Facebook (4 of 9 said so), so the ads help the website too. "Paid" means nothing is owed on the job.
