DOWNED WOOD CLEARANCE · S SEDALIA, COLORADO · OPTION A, HAULED AWAY

Service Agreement

Date of this transaction: _____ This is the date you sign. Your three business days to cancel run from it — see section 7.

1 · The parties

Contractor: Sixfold, LLC · 17890 Sierra Way, Monument, Colorado 80132 · (720) 772-6146 · Contact@SixfoldColorado.com

2 · The work

- ☐ **Felling** — trees taken down
- ☐ **Slash and chipping**
- ☐ **Defensible space** around structures
- ☐ **Stump grinding** — ground out below grade
- ☐ **Rounds** — cut to firewood length
- ☐ **Fuel break / thinning**

None of the categories above is ticked: this job is clearance and haul-off of material already on the ground. The full scope is written below.

EXACTLY WHAT IS BEING DONE, AND WHERE ON THE PROPERTY

Clearance of downed wood only — the logs and limbs already lying on the ground on the date of survey. In the order the crew does it: (1) walk the pile with the owner and mark the edge of the job; (2) photograph the area from fixed positions before anything moves; (3) buck the downed wood with saws, roughly 16-inch lengths through the heavy butt sections and longer where a limb is light enough to shoulder; (4) gather and load by hand, carried to the trailer rather than dragged so the ground is not torn on the way out; (5) haul off the property — Sixfold truck and trailer, six loads to a wood-waste disposal site, tipping fees paid by Sixfold and included in the price at section 5; (6) rake down the footprint, clear the loose bark, and photograph again from the same positions. The before-and-after photograph set, an itemised invoice and a written work record are supplied with the invoice. **Location:** the felled-wood pile and its footprint, as walked and agreed on the survey visit.

HOW THE MATERIAL TO BE REMOVED IS IDENTIFIED — FLAGGED, PAINTED, WALKED AND AGREED

The material is already on the ground. What is in and what is out is walked and agreed with the owner before a saw starts; anything the owner wants kept is pointed out at that walk. No standing tree is felled under this agreement.

3 · What is not included

Unless written below, this does **not** cover structural work of any kind (roofing, vents, siding, decking); landscaping, replanting or reseeding; repair of irrigation, fencing or lawn; hauling non-woody debris; work on land not identified as the owner's; or permit fees.

Also excluded for this job: grinding any stump — this can be quoted separately and cannot be done the same day, because utility locates have to be called in first; felling any standing tree — if the owner wants one taken down, Sixfold will walk it and quote it separately; and removing anything that is not wood — fencing, wire, metal, building material or household waste mixed into the pile, which is set aside and stays with the owner unless a price for it is separately agreed.

ADDED TO THE SCOPE BY AGREEMENT

Nothing added. Scope is as described in section 2.

4 · What happens to the material

- ☐ Chipped on site and spread
- ☐ Cut to rounds and stacked — where: _____
- ☐ Piled to standard for pickup
- ☒ **Hauled off site** and disposed of

If the owner wants any of the wood kept back as firewood, they say so before loading and the crew cuts it to rounds and stacks it instead, at no extra charge.

5 · Price

TOTAL PRICE FOR THE WORK ABOVE	DEPOSIT, IF ANY, PAID TODAY	BALANCE
$ 2,250.00	$ 0.00 — none	$ 2,250.00

This is the whole price for the work in section 2. Travel is not billed. Nothing further is owed unless the owner signs a written change order under clause 10. **Payment schedule:** the first $1,125.00 is due on or before the first day of work and may be paid by electronic transfer, cash, or check; the remaining $1,125.00 is due on completion. **If this agreement is cancelled under section 7, every payment made is returned in full within ten business days.**

DATES, AND TERMS 1 TO 8 · THESE APPLY TO THE WORK DESCRIBED ON PAGE 1

6 · Dates

CANCELLATION PERIOD ENDS (MIDNIGHT)	WORK BEGINS ON OR AFTER	ESTIMATED COMPLETION
Third business day after signing. A business day is any day except Sunday and federal holidays; Saturday counts.	On or after the cancellation deadline, unless the owner asks in writing to start sooner.	About 1½ days on site once work begins.

Dates are estimates. Weather, ground conditions and fire restrictions move them, and Sixfold will say so when they move.

Terms

1. **What Sixfold gives you with the job, whether or not you ask**
   A written scope of exactly what was cut and where, photographs from fixed positions before and after, and an itemised invoice that separates qualifying wildfire mitigation work from anything else on the bill.

2. **Sixfold does not advise on tax or insurance**
   Sixfold does not give tax or insurance advice, does not certify work, and does not prepare or file tax returns. It supplies documentation. **Whether you qualify for the Colorado wildfire mitigation tax credit is a question for your accountant, and what your policy qualifies for is a question for your carrier.** Nothing in this agreement is a promise that you will receive a credit, a refund, or a discount, or that any of them will be any particular amount.

3. **What this work does and does not do**
   This work reduces fuel and creates defensible space. **It does not make a property fireproof and does not guarantee any outcome in a wildfire.** No one can promise that.

4. **You confirm you can authorise the work**
   By signing, you confirm you are the owner of record of the property, or that you have the owner's authority to have this work done, and that no part of the area to be worked is on land belonging to someone else.

5. **Boundaries, buried lines and things we cannot see**
   You will identify the property boundaries. Sixfold will request public utility locates through Colorado 811 before any stump grinding or ground disturbance. **Private and unmarked lines are yours to point out** — irrigation, septic tanks and leach fields, wells, invisible pet fencing, low-voltage lighting, buried propane, and anything else not on a public locate. Sixfold is not responsible for damage to a line it was not told about and that a public locate did not mark.

6. **Clearing the way**
   Before the crew arrives, please move vehicles, secure pets and livestock, and keep people out of the work area while saws are running.

7. **HOA rules and permits**
   Where a covenant, HOA architectural rule, or local permit applies to removing trees, obtaining that approval is the owner's responsibility unless section 3 says otherwise in writing.

8. **Access and ground conditions**
   Equipment has to reach the work. Driveways, lawns and soft ground can rut or mark under machinery even when the crew is careful, and that kind of ordinary access marking is not damage under clause 12.

Owner's initials _____ Sixfold representative's initials _____ · Terms continue on page 3, where this agreement is signed.

9. **If we find something once we start**
Hidden rot, a hazard lean, a hornet nest, a stump on a boulder — if a condition appears that changes the work, the crew stops and tells you before continuing.

10. **Changes to the work**
Any change to the scope or the price has to be written down and signed by both of us before that work is done. A verbal agreement to do extra work does not create a charge you owe.

11. **Paying**
The first $1,125.00 is due on or before the first day of work and may be paid by electronic transfer, cash, or check. The remaining $1,125.00 is due when the work described in section 2 is complete. Every payment is refundable in full, within ten business days, if you cancel under section 7 — including any payment made before the cancellation period has run.

12. **Damage**
Sixfold is responsible for damage its crew causes by negligence in doing this work. Tell us within **14 days** of completion so we can look at it while the evidence is fresh. Sixfold is not responsible for pre-existing conditions, for the access marking described in clause 8, or for damage arising from a line or structure that was not disclosed under clause 5.

13. **Colorado law**
This agreement is governed by the law of the State of Colorado, and any dispute is brought in the county where the property is located.

14. **This document is the agreement**
What is written here and on pages 1, 2, 4 and 5 is the whole agreement. Nothing said at the door changes it. A change is only effective if it is in writing and signed by both of us.

7 · Your right to cancel

You may cancel this agreement, for any reason or none, until midnight of the third business day after the date you signed it. A business day is any day except Sunday and federal holidays. You do not have to give a reason and there is no penalty or fee. **Pages 4 and 5 are your two copies of the Notice of Cancellation** — send one to the address printed on it, or write to us any other way that says you do not want to go ahead. Everything you have paid comes back to you.

You, the buyer, may cancel this transaction at any time prior to midnight of the third business day after the date of this transaction. See the attached notice of cancellation form for an explanation of this right.
