CANCELLATION PERIOD ENDS (MIDNIGHT)	WORK BEGINS ON OR AFTER	ESTIMATED COMPLETION

Terms

1. **What Sixfold gives you with the job, whether or not you ask**
   A written scope of exactly what was cut and where, photographs from fixed positions before and after, and an itemised invoice that separates qualifying wildfire mitigation work from anything else on the bill.

2. **Sixfold does not advise on tax or insurance**
   Sixfold does not give tax or insurance advice, does not certify work, and does not prepare or file tax returns. It supplies documentation. **Whether you qualify for the Colorado wildfire mitigation tax credit is a question for your accountant, and what your policy qualifies for is a question for your carrier.** Nothing in this agreement is a promise that you will receive a credit, a refund, or a discount, or that any of them will be any particular amount.

3. **What this work does and does not do**
   This work reduces fuel and creates defensible space. **It does not make a property fireproof and does not guarantee any outcome in a wildfire.** No one can promise that.

4. **You confirm you can authorise the work**
   By signing, you confirm you are the owner of record of the property, or that you have the owner's authority to have this work done, and that no part of the area to be worked is on land belonging to someone else.

5. **Boundaries, buried lines and things we cannot see**
   You will identify the property boundaries. Sixfold will request public utility locates through Colorado 811 before any stump grinding or ground disturbance. **Private and unmarked lines are yours to point out** — irrigation, septic tanks and leach fields, wells, invisible pet fencing, low-voltage lighting, buried propane, and anything else not on a public locate. Sixfold is not responsible for damage to a line it was not told about and that a public locate did not mark.

6. **Clearing the way**
   Before the crew arrives, please move vehicles, secure pets and livestock, and keep people out of the work area while saws are running.

7. **HOA rules and permits**
   Where a covenant, HOA architectural rule, or local permit applies to removing trees, obtaining that approval is the owner's responsibility unless section 3 says otherwise in writing.

8. **Access and ground conditions**
   Equipment has to reach the work. Driveways, lawns and soft ground can rut or mark under machinery even when the crew is careful, and that kind of ordinary access marking is not damage under clause 12.

Terms continue on page 3, where this agreement is signed.

TERMS 9 TO 14 · YOUR RIGHT TO CANCEL · SIGNATURES

9. **If we find something once we start**
Hidden rot, a hazard lean, a hornet nest, a stump on a boulder — if a condition appears that changes the work, the crew stops and tells you before continuing.

10. **Changes to the work**
Any change to the scope or the price has to be written down and signed by both of us before that work is done. A verbal agreement to do extra work does not create a charge you owe.

11. **Paying**
The balance is due when the work described in section 2 is complete. A deposit, if any, is shown in section 5 and is refundable in full if you cancel under section 7.

12. **Damage**
Sixfold is responsible for damage its crew causes by negligence in doing this work. Tell us within **14 days** of completion so we can look at it while the evidence is fresh. Sixfold is not responsible for pre-existing conditions, for the access marking described in clause 8, or for damage arising from a line or structure that was not disclosed under clause 5.

13. **Colorado law**
This agreement is governed by the law of the State of Colorado, and any dispute is brought in the county where the property is located.

14. **This document is the agreement**
What is written here and on pages 1, 2, 4 and 5 is the whole agreement. Nothing said at the door changes it. A change is only effective if it is in writing and signed by both of us.

7 · Your right to cancel

You may cancel this agreement, for any reason or none, until midnight of the third business day after the date you signed it. A business day is any day except Sunday and federal holidays. You do not have to give a reason and there is no penalty or fee. **Pages 4 and 5 are your two copies of the Notice of Cancellation** — send one to the address printed on it, or write to us any other way that says you do not want to go ahead. Everything you have paid comes back to you.

You, the buyer, may cancel this transaction at any time prior to midnight of the third business day after the date of this transaction. See the attached notice of cancellation form for an explanation of this right.
