The prize drawing. Free to enter. **No purchase, no payment and no obligation of any kind** — you do not have to buy anything or book anything. One entry per person. Tick **Enter draw** to be entered; we draw after the event and contact the winner directly.

Ticking "OK to contact" means Sixfold may call, text or email you about fire mitigation, including about a quote. Message and data rates may apply; reply STOP to any text to stop. **You can leave it blank and still enter the draw.**

What we do with this. We use what you write here to contact you and to run the drawing. **We do not sell it or pass it to anyone else.** Ask us to delete your details any time — Contact@SixfoldColorado.com.
