TOTAL, FIXED	FIRST PAYMENT	ON COMPLETION
$4,375.00	**$2,187.50**	**$2,187.50**

Three trailer loads are inside the price. If the three trees come to more than that, each further load is $640, and it is agreed with you before it is hauled.

Terms

- **The estimate is free and the price is fixed.** $4,375 is the full price for the work listed above, including three loads, the tip fees, travel and fuel. It does not change unless additional work is requested in writing.
- **Payment. The first payment of $2,187.50 is due on or before the first day of work**, and the remaining $2,187.50 on completion. The first payment books the dates — once it is paid, they are held for this job and no other work is booked into them.
- **Why the wood leaves.** The Colorado State Forest Service advises that beetle-infested trees be taken out and the wood dealt with before the adult beetles fly the following July, so that they do not move on to healthy trees.
- **This price holds for work done by 24 October 2026.** The slash yard closes for the season after that. If the work moves later, the price is agreed again in writing.
- **Not included.** Grinding or removing the stumps, any tree not listed above, and spraying or treating standing trees.
- **Right to cancel.** An agreement signed at the property carries a three-business-day right of cancellation, in writing, for any reason and without fee. This is Colorado law and cannot be waived; all payments are refunded in full, including any made before the cancellation period has run. Work does not begin until that period has run, unless an earlier start is requested in writing.
- **Overruns in time are Sixfold's cost.** The price covers the work listed, not the time taken to complete it.

An itemised project estimate. Sixfold's service agreement sets out the full terms of the work.
