2 · The work, month by month

A **twelve-month** agreement. **The work and the dates are subject to change with the weather and the seasons.** The areas worked are fixed by the walk, not by this table alone.

SERVICE AND WHEN	WHAT IT COVERS
Mowing and edging Third Thursday of each month	Mowing the open turf, edging in against beds, walls, drive and walks, and blowing the hard surfaces clear before leaving. Clippings are mulched back into the turf where the cut allows, and bagged and left on the property where it does not. If the third Thursday is unworkable the visit moves to the first workable day after it.
Spot treatment Every other month	Repairing the **dead and worn spots** — the areas that need more than the lawn as a whole. Aeration, seed and fertilizer worked into the patch, on the same third-Thursday visit, across the spots walked and agreed at it. **Fertilizer and seed only — no pesticide, herbicide or weed-and-feed of any kind, see section 3.**
Core aeration Twice a year April and October	A machine with hollow tines pulls plugs of soil and thatch from the open turf. **The plugs stay on the surface** and break down back into the lawn; they are not debris the crew failed to clear. This does **not** include overseeding or fertilizing the turf as a whole — see section 3. **Both visits are included in the monthly price at section 5** and nothing further is invoiced for them.
Snow clearing Weather-driven up to five a month	The driveway, the front walk and the path to the front door, and any other surface written here: _____. Visits are **as needed**. No fixed depth starts one and no clear-by time is promised. Sixfold attends when a fall needs clearing and as soon as conditions allow, and the owner may also call for a visit. These visits are additional to the third-Thursday visit. **Up to five clearing visits in any one calendar month are included**; clearing beyond five in a month is not covered by this agreement, and is a separate written agreement and price. See clause 14 for what clearing snow does and does not mean.

Owner's initials _____ Sixfold representative's initials _____ · The scope continues on sheet 2, where the price and the dates are set.

3 · What is not included

Unless written below, this does **not** cover weed control, herbicide, pesticide or weed-and-feed of any kind; overseeding or fertilizing the turf as a whole, beyond the spot treatment described in section 2; dethatching, topdressing or soil testing; tree felling, limbing or stump work; bed planting, mulching or replanting; irrigation repair, blow-out or start-up; gutter, roof or structural work of any kind; hauling non-green debris; leaf collection and removal beyond the blowing described in section 2; or permit fees.

Sixfold applies no weed control under this agreement. Fertilizer is not weed killer. If it is wanted, it is a separate written agreement and a separate price.

ADDED TO THE SCOPE BY AGREEMENT

Nothing added. Scope is as described in section 2.

4 · How long this runs

Twelve months — November 2026 to October 2027, from the start date at section 6. **It does not renew itself.** Sixfold will contact you about **45 days before the end of the term** to go over how the year has gone and agree what the next one should cover. Either side may end it earlier under clause 16.

5 · Price

EACH MONTH	NUMBER OF MONTHS	TOTAL OVER THE TERM
$ 250.00	12	$ 3,000.00

$250.00 per month, the same every month, for the work in section 2. Travel is not billed. Within the limits set at section 2 the monthly payment does not change with the number of visits a month needs. **The two aeration visits are inside this price** and are not invoiced separately. Nothing further is owed unless the owner signs a written change order under clause 9. **Payment:** due on the same day of each month, set at section 6, by electronic transfer, cash, or check made payable to **Sixfold, LLC**. **If this agreement is cancelled under section 7, every payment made is returned in full within ten business days.**

6 · Dates

CANCELLATION PERIOD ENDS (MIDNIGHT)	FIRST MONTH BEGINS ON	PAYMENT DUE EACH MONTH ON THE
	November 2026	1st
Third business day after signing. A business day is any day except Sunday and federal holidays; Saturday counts.	The twelve months run from this date and end after October 2027. The first third-Thursday visit is **19 November 2026**.	The first payment falls due **1 November 2026** and the twelfth and last on **1 October 2027**.

Dates are estimates. Weather, ground conditions and fire restrictions move them, and a representative from Sixfold will contact you if a date needs to change.

TERMS 1 TO 11 · THESE APPLY TO THE WORK DESCRIBED ON SHEETS 1 AND 2 OF THIS AGREEMENT

Terms

1. **What Sixfold gives you with the job**
   A written scope of exactly what was done and where, and an itemised invoice.

2. **What this work does and does not do**
   This is routine grounds maintenance — mowing, edging, spot treatment, aeration and snow clearing. **It is not a defensible-space or wildfire mitigation treatment**, and it is not a promise that any surface is safe underfoot — see clause 14. How the turf comes on depends on water, weather and soil.

3. **You confirm you can authorise the work**
   By signing, you confirm you are the owner of record of the property, or that you have the owner's authority to have this work done, and that no part of the area to be worked is on land belonging to someone else.

4. **Boundaries, buried lines and things we cannot see**
   You will identify the property boundaries. Sixfold will request public utility locates through Colorado 811 before any stump grinding or ground disturbance. **Private and unmarked lines are yours to point out** — irrigation, septic tanks and leach fields, wells, invisible pet fencing, low-voltage lighting, buried propane, and anything else not on a public locate. Sixfold is not responsible for damage to a line it was not told about and that a public locate did not mark.

5. **Clearing the way**
   Before the crew arrives, please move vehicles, secure pets and livestock, and keep people out of the work area while machines are running. **Please water the lawn a day or two before an aeration visit** — aeration pulls a proper plug from moist ground and very little from ground that is dry and hard. Keep to the watering days and hours your water provider allows.

6. **HOA rules and permits**
   Where a covenant, HOA architectural rule, or local permit applies to removing trees, obtaining that approval is the owner's responsibility unless section 3 says otherwise in writing.

7. **Access and ground conditions**
   Equipment has to reach the work. Driveways, lawns and soft ground can rut or mark under machinery even when the crew is careful, and that kind of ordinary access marking is not damage under clause 11.

8. **If we find something once we start**
   Hidden rot, a hazard lean, a hornet nest, a stump on a boulder — if a condition appears that changes the work, the crew stops and tells you before continuing.

9. **Changes to the work**
   Any change to the scope or the price has to be written down and signed by both of us before that work is done.

10. **Paying**
    $250.00 is due on the same day of each month, on the date set at section 6, and may be paid by electronic transfer, cash, or check made payable to **Sixfold, LLC**. Every payment is refundable in full, within ten business days, if you cancel under section 7 — including any payment made before the cancellation period has run. If this agreement ends early under clause 16, any month paid for in advance and not begun is refunded within ten business days.

11. **Damage**
    Sixfold is responsible for damage its crew causes by negligence in doing this work. Tell us within **14 days** of completion so we can look at it while the evidence is fresh. Sixfold is not responsible for pre-existing conditions, for the access marking described in clause 7, or for damage arising from a line or structure that was not disclosed under clause 4.

Owner's initials _____ Sixfold representative's initials _____ · Terms continue on sheet 4 of this agreement, where it is signed.

TERMS 12 TO 17 · YOUR RIGHT TO CANCEL · SIGNATURES

12. **Colorado law**
This agreement is governed by the law of the State of Colorado, and any dispute is brought in the county where the property is located.

13. **This document is the agreement**
What is written on the six pages of this agreement is the whole agreement. Nothing said at the door changes it. A change is only effective if it is in writing and signed by both of us.

14. **What clearing snow does and does not mean**
Sixfold clears snow from the surfaces listed in section 2. **Clearing snow does not make a surface safe to walk or drive on** — snow can compact, melt and refreeze, and a cleared surface can still be icy. Sixfold does not undertake to keep any surface free of ice or to make it safe.

15. **Getting to the work**
Snow clearing needs the driveway clear of vehicles, and mowing needs the turf clear of hoses, toys, furniture and pet waste. Where it is not clear the crew works around it and says so on the work record. Anything hidden under snow or in long grass is the owner's to point out under clause 4.

16. **Ending this agreement early**
Either of us may end this agreement early by giving the other 30 days' written notice, for any reason or none. The owner pays for the months already begun. Any month paid for in advance and not begun is refunded within ten business days. No fee or penalty is charged by either side for ending it this way.

17. **When the weather stops a visit**
Frozen, saturated or snow-covered ground stops mowing, and a storm can delay a snow visit past the hours set in section 2. Where that happens Sixfold says so and attends as soon as conditions allow. **A missed visit caused by weather does not change the monthly price**, which is set for the year rather than per visit.

7 · Your right to cancel

You may cancel this agreement, for any reason or none, until midnight of the third business day after the date you signed it. A business day is any day except Sunday and federal holidays. You do not have to give a reason and there is no penalty or fee. **The last two pages of this maintenance agreement are your two copies of the Notice of Cancellation** — send one to the address printed on it, or write to us any other way that says you do not want to go ahead. Everything you have paid comes back to you.

You, the buyer, may cancel this transaction at any time prior to midnight of the third business day after the date of this transaction. See the attached notice of cancellation form for an explanation of this right.
