The work

SERVICE AND WHEN	WHAT IT COVERS	PRICE
Mowing and edging Third Thursday of each month	Mowing the open turf, edging in against beds, walls, drive and walks, and blowing the hard surfaces clear before leaving. Clippings mulched back into the turf where the cut allows, and bagged and left on the property where it does not.	Included
Spot treatment Every other month	Repairing the dead and worn spots — the areas that need more than the lawn as a whole. Aeration, seed and fertilizer worked into the patch, on the same visit. Fertilizer and seed only; no pesticide, herbicide or weed-and-feed of any kind.	Included
Core aeration Twice a year — April and October	Hollow tines pull plugs of soil and thatch from the open turf, and the plugs stay on the surface to break down back into the lawn. **Both visits are inside the monthly price** and nothing further is invoiced for them.	Included
Snow clearing As needed, in season	The driveway, the front walk and the path to the front door. Visits are as needed and additional to the monthly visit. **Up to five clearing visits in any one calendar month are included**; clearing beyond five in a month is a separate written agreement and price.	Included
Each month, fixed		**$250**

EACH MONTH	NUMBER OF MONTHS	TOTAL OVER THE TERM
$250.00	12	$3,000.00

First visit Thursday 19 November 2026. First payment 1 November 2026. The work and the dates are subject to change with the weather and the seasons. The areas worked are fixed at the walk.

Terms

- **The estimate is free and the price is fixed.** $250 a month for twelve months, $3,000 over the term. Travel is not billed, and nothing further is owed unless additional work is agreed in writing.
- **Payment.** Due on the **1st of each month**, first on 1 November 2026 and last on 1 October 2027, by electronic transfer, cash, or check made payable to Sixfold, LLC.
- **It does not renew itself.** Twelve months and then it stops — nothing rolls over and no payment is taken after the twelfth month. Sixfold will contact you about **45 days before the end of the term** to go over how the year has gone and agree what the next one should cover.
- **Either of us can end it early on 30 days' written notice**, for any reason and with no fee. Any month paid for in advance and not begun is refunded within ten business days.
- **Clearing snow does not make a surface safe.** Snow can compact, melt and refreeze, and a cleared surface can still be icy. Sixfold does not undertake to keep any surface free of ice.
- **Right to cancel.** An agreement signed at the property carries a three-business-day right of cancellation, in writing, for any reason and without fee. This is Colorado law and cannot be waived; all payments are refunded in full. Work does not begin until that period has run, unless an earlier start is requested in writing.
- **This price does not expire.** No time-limited discount is attached to it.
- **Please water the lawn a day or two before an aeration visit.** Aeration pulls a proper plug from moist ground and very little from ground that is dry and hard.

An itemised project estimate. Sixfold's maintenance agreement sets out the full terms of the work.
