The week after set costs

Left over from the jobs	$1,552.94
Truck ($1,000 a month)	-$230.77
Storage ($414 a month)	-$95.54
Aerator ($325 a month)	-$75.00
Credit card for the trailers ($500 a month)	-$115.38
Websites, hosting, email	-$17.77
Ads ($6,066 a month)	-$1,399.85
Profit for the week	**-$381.37**

How it is worked out

- **A week of a monthly cost** = the month x 12 / 52.
- **Employees:** 20% of each job's price.
- **Fertilizer:** $40 a 50 lb bag at LESCO 24-0-11's label rate. **Seed:** $128.89 a 50 lb bag (SiteOne invoice, 24 Jul). Carlos's pounds are from Jen's quote; Russ and Eric are estimated from the aerial lawn size at 3 lb seed per 1,000 sq ft.
- **Gas:** estimated from the miles between the storage unit and the house (x 1.3 for roads, there and back) at 18 mpg and $4.244 a gallon (EIA Denver).
- **Square fees:** the real fee Square charged.
- **Not counted yet:** materials for Kara and Brian, gas for Kara and Carlos (no address), truck insurance and registration if they are not in the $1,000, business insurance.

Figures, other than your monthly costs: the Sixfold app (jobs, prices, Jen's quotes), Square (both locations) and sixfold/finance/Sixfold-Expenses-and-Profit.xlsx (Profit tab, "One week"), read 21 Oct 2026.
