Where the Sixfold name goes in the badge

Three placements, each in the three colour options. 365 stays on the top arc and the Ridge mark (with its roots) stays in the middle.

1 · Bottom arc, "Land" replaced

SIXFOLD · AERATION & SEEDING, same letter size as now. The cleanest; the word "Land" goes.

A · 365 green

B · Sixfold dark

C · Light

2 · Bottom arc, every word kept

SIXFOLD LAND · AERATION & SEEDING. Nothing dropped, but the letters shrink about a fifth to fit.

A · 365 green

B · Sixfold dark

C · Light

3 · Inside the circle

SIXFOLD above the peaks; the mark a little smaller, roots kept. Reads as the Sixfold logo sitting inside the 365 ring.

A · 365 green

B · Sixfold dark

C · Light
