Two lines above are given at no charge: edging and trimming, and the labour to install the owner's plants. Any change or additional work outside the scope listed is raised and agreed in writing before that work is carried out.

Terms

- **The estimate is free and the price is fixed.** $1,500 is the full price for the work listed above. It does not change unless additional work is requested in writing.
- **Payment. Half is required before or on the first day of work.** The balance is due on completion of the clean up. **The return visit to plant is not held against the balance**, so settlement is not delayed by the plant delivery.
- **Right to cancel.** An agreement signed at the property carries a three-business-day right of cancellation, in writing, for any reason and without fee. This is Colorado law and cannot be waived; all payments, including any deposit, are refunded in full. Work does not begin until the cancellation period has run, unless an earlier start is requested in writing.
- **This price does not expire.** No time-limited discount is attached to it.
- **Overruns are Sixfold's cost.** The price covers the work listed, not the time taken to complete it.
- **Included.** An itemised invoice and a written record of the work carried out, supplied on completion.

An itemised project estimate. Sixfold's service agreement sets out the full terms of the work.
