2 · The work

EXACTLY WHAT IS BEING DONE, AND WHERE ON THE PROPERTY

The work comprises the following, carried out in whatever order conditions on the day allow: (1) **core aeration** of the open turf across the property — a machine carrying hollow tines that pushes down and pulls plugs of soil and thatch out of the ground, worked in a pattern that covers the whole area; (2) **overseeding** the aerated ground with grass seed supplied by Sixfold; (3) applying **fertilizer**, supplied by Sixfold, across the same ground; (4) blowing the drive, walks and any hard surface clear of seed and fertilizer that lands on them; (5) **watering the treated ground in on the day**, using the owner's own watering system, within the days and hours the property's water provider allows; (6) walking the finished job with the owner before leaving, and putting right anything in this section not done as described, while the crew and machines are still on site. An itemised invoice and a written work record are supplied on completion. **The plugs the aerator pulls stay on the surface** — see section 4. **Location:** the open turf areas of the property walked and agreed at the site walk.

WHAT SIXFOLD SUPPLIES, WHAT IS NOT APPLIED, AND HOW THE AREA IS FIXED

The seed and the fertilizer are supplied by Sixfold and included in the price at section 5; the mix and analysis used are written on the work record. **No pesticide, herbicide, weed killer or weed-and-feed product of any kind is applied** — see section 3. The turf is walked and agreed with the owner before work starts, and anything to be left alone — beds, new planting, ground being kept bare — is pointed out then, with irrigation heads and invisible pet fencing under clause 4. **That walk, not an area written in advance, fixes the scope.**

3 · What is not included

Unless written below, this does **not** cover watering after the day of the work, or any return visit to water; any guarantee that seed germinates or that any particular thickness, colour or coverage results; weed control, herbicide, pesticide or weed-and-feed of any kind; dethatching, topdressing, soil testing, levelling or grading; repair or replacement of irrigation heads, lines or valves, or of invisible pet fencing; mowing; shrub or bed work; hauling anything off the property; or permit fees.

Sixfold can water the ground in on the day, using the owner's own watering system — see section 2. **After that, keeping it watered is the owner's to do**; Sixfold does not return to water, and overseeded ground needs regular water over the following weeks. **Sixfold applies no weed control** — fertilizer is not weed killer. If the ground is frozen, saturated or baked hard on the day, the crew says so and agrees a return date rather than run a machine that pulls no plug.

4 · What happens to the plugs

Core aeration drops the plugs it pulls onto the surface and **they stay there**. They break down back into the lawn over the following weeks and that is what they are for — not debris the crew has failed to clear. Nothing is hauled off the property. If the owner would rather they were collected and taken away, that is a separate price agreed in writing beforehand, under clause 9.

5 · Price

TOTAL PRICE FOR THE WORK ABOVE	FIRST PAYMENT, ON OR BEFORE DAY ONE	ON COMPLETION
$ 400.00	$ 200.00	$ 200.00

This is the whole price for the work in section 2, and it includes the seed, the fertilizer and the machine. Travel is not billed. Nothing further is owed unless the owner signs a written change order under clause 9. **Payment schedule:** the first $200.00 is due on or before the first day of work, by electronic transfer, cash, or check made payable to **Sixfold, LLC**; the remaining $200.00 on completion. **The first payment books the date** — see clause 10. **If this agreement is cancelled under section 7, every payment made is returned in full within ten business days.**

DATES, AND TERMS 1 TO 7 · THESE APPLY TO THE WORK DESCRIBED ON SHEET 1 OF THIS AGREEMENT

6 · Dates

CANCELLATION PERIOD ENDS (MIDNIGHT)	WORK BEGINS ON OR AFTER	ESTIMATED COMPLETION
	Thursday, October 15, 2026	Thursday, October 15, 2026
Third business day after signing. A business day is any day except Sunday and federal holidays; Saturday counts. **Monday 12 October 2026 is Columbus Day, a federal holiday, and does not count.**	On or after the cancellation deadline, unless the owner asks in writing to start sooner. **For a 15 October start, this agreement must be signed on or before Friday 9 October 2026.**	One day on site. There is no return visit under this agreement.

Dates are estimates. Weather, ground conditions and fire restrictions move them, and a representative from Sixfold will contact you if a date needs to change.

Terms

1. **What Sixfold gives you with the job**
   A written scope of exactly what was done and where, and an itemised invoice.
2. **What this work does and does not do**
   This is turf work — aeration, overseeding and feeding. **It is not a defensible-space or wildfire mitigation treatment.** How the seed comes in depends on water, weather and soil in the weeks after the visit.
3. **You confirm you can authorise the work**
   By signing, you confirm you are the owner of record of the property, or that you have the owner's authority to have this work done, and that no part of the area to be worked is on land belonging to someone else.
4. **Boundaries, buried lines and things we cannot see**
   You will identify the property boundaries. Sixfold will request public utility locates through Colorado 811 before any ground disturbance. **Private and unmarked lines are yours to point out** — irrigation, septic tanks and leach fields, wells, invisible pet fencing, low-voltage lighting, buried propane, and anything else not on a public locate. Sixfold is not responsible for damage to a line it was not told about and that a public locate did not mark.
5. **Clearing the way**
   Before the crew arrives, please move vehicles, secure pets and livestock, and keep people out of the work area while machines are running. **Please water the lawn a day or two before the visit** — aeration pulls a proper plug from moist ground and very little from ground that is dry and hard. Keep to the watering days and hours your water provider allows.
6. **HOA rules and permits**
   Where a covenant, HOA architectural rule, or local permit applies to this work, obtaining that approval is the owner's responsibility unless section 3 says otherwise in writing.
7. **Access and ground conditions**
   Equipment has to reach the work. Driveways, lawns and soft ground can rut or mark under machinery even when the crew is careful, and that kind of ordinary access marking is not damage under clause 11.

TERMS 8 TO 13 · YOUR RIGHT TO CANCEL · SIGNATURES

8. **If we find something once we start**
A rock shelf under the turf, an unmarked line, a hornet nest — if a condition appears that changes the work, the crew stops and tells you before continuing.

9. **Changes to the work**
Any change to the scope or the price has to be written down and signed by both of us before that work is done.

10. **Paying**
The first $200.00 is due on or before the first day of work and may be paid by electronic transfer, cash, or check made payable to **Sixfold, LLC**. The remaining $200.00 is due when the work described in section 2 is complete. **The first payment books the date.** Once it is paid, Thursday 15 October 2026 is held for this job and no other work is booked into it. **That does not affect your right to cancel** — every payment is refundable in full, within ten business days, if you cancel under section 7, including any payment made before the cancellation period has run.

11. **Damage**
Sixfold is responsible for damage its crew causes by negligence in doing this work. Tell us within **14 days** of completion so we can look at it while the evidence is fresh. Sixfold is not responsible for pre-existing conditions, for the access marking described in clause 7, or for damage arising from a line or structure that was not disclosed under clause 4.

12. **Colorado law**
This agreement is governed by the law of the State of Colorado, and any dispute is brought in the county where the property is located.

13. **This document is the agreement**
What is written on the five pages of this service agreement is the whole agreement. Nothing said at the door changes it. A change is only effective if it is in writing and signed by both of us.

7 · Your right to cancel

You may cancel this agreement, for any reason or none, until midnight of the third business day after the date you signed it. A business day is any day except Sunday and federal holidays. You do not have to give a reason and there is no penalty or fee. **The last two pages of this service agreement are your two copies of the Notice of Cancellation** — send one to the address printed on it, or write to us any other way that says you do not want to go ahead. Everything you have paid comes back to you.

You, the buyer, may cancel this transaction at any time prior to midnight of the third business day after the date of this transaction. See the attached notice of cancellation form for an explanation of this right.
